# VILLA DI CAMPO

Campo Lo Maso

# Beauty

### Description

The villa, dating back to 1800, is immersed in a 4 hectare private park situated in the little village of Campo Lomaso, which is inside the cultural-historic context of Lake Garda, the Dolomites and Adamello Brenta Park, just two minutes away from the Terme di Comano. Ancient castles, picturesque little churches, woods, waterfalls and mountain lakes are the backdrop to this place. It is the ideal place for people who love calmness and nature, for people who want to spend a holiday in an elegant country house, where privacy, little attention to detail and age old rhythms shape the days. Moreover, inside the wellness centre it is possible to find the time to dedicate to ourselves, giving us special moments of care and relaxation.

### Accommodation

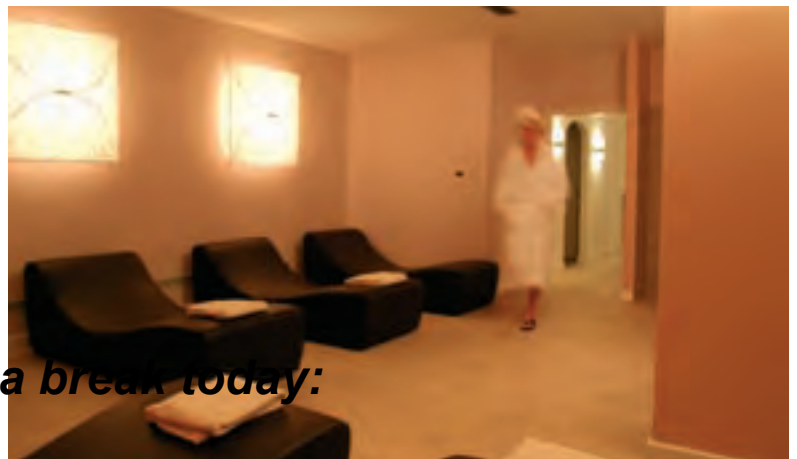

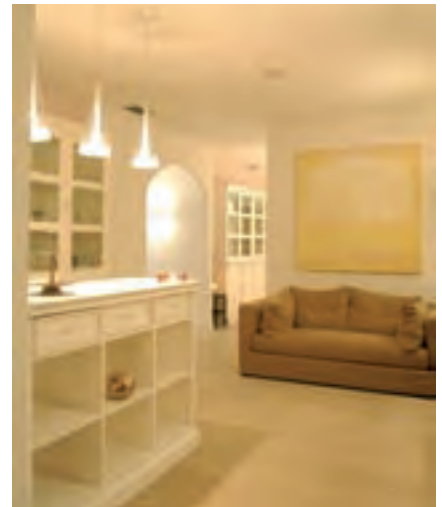

**33 bedrooms** divided into 5 double or twin bedrooms, 2 single standard, 12 double standard, 8 double bedrooms, 4 junior suites, 2 suites with tv, hairdryer, bathrooms with bath/shower. Some bedrooms have a view over the park. Extremely well furnished.

### Description

On the Northern shore of Lake Garda, Riva is a synonym of the extraordinary passage from the Mediterranean environment to the pre-alpine landscape. This harmonic fusion is sealed by this wonderful hotel. You can do nothing but be struck by the innovative design and by the particular use of materials, that convey sensations to the guest in harmony with the beautiful lake-landscape. These sensations come from the presence of stone, wood, steel and glass, that together make a unique setting immersed in the green of the park.

The optimal position of the hotel means you get to the centre and to the beach in a few minutes.
